## Altitude

Altitude( ex. Amnesia) is Lloyds Classed and MCA compliant luxury charter yacht built by Italian shipyard Benetti and delivered in 2003. Since her delivery she went for extensive refits and last one was in 2012 when Zero Speed Stabilizers are installed.

Naval architecture is done by Benetti In House team, while the her beautiful exterior and exclusive interior is designed by Stefano Natucci. Altitude was built with rental in mind, therefore everything aboard is dedicated to her guests.

She boasts vast sundeck fitted with jacuzzi, GYM and the sun lounges, bar and Al-Fresco table shaded by her structure. She feature two large salons, one on the main deck and one on the upper deck. Both salons are are equipped with beautiful furnishings and sumptuous seating throughout. The results is the elegant and comfortable atmosphere. It is needless to mention that she is equipped with the State Of The Art audio and visual equipment.

Altitude can accommodate twelve guests in four double and two twin cabins, all with en-suite baths. Master cabin is based on the main deck level forward. It is a full beam and feature his and hers baths, private observation lounge, king size bed, study, walk-in-wardrobe. Equally sumptuous double stateroom is located on upper deck, VIP and twin cabins are situated on lower deck level. All her cabins are designed and equipped according to highest standards of luxury and elegance.

Altitude is powered by two Caterpillar 3512B engines and takes her up to 16.0 Knots, while her usual speed is 14.0 Knots with 5.000 Nautical Miles of range. She carries and offers impressive collection of toys and water sports gear to her charter guests listed herein below.

She is manned by 14 professional maritime crews.

Benetti Altitude luxury yacht can be hired in East and West Mediterranean, therefore please contact Navis Yacht Charters for rental details and current location.
