SOLD - NOW M/Y Delma Luxury yacht charter Mediterranean

This lady is not only the Mega Yacht ! She is in a class of International Passenger Cruise Ship!  
ANNALIESSE is the ultimate luxurious private mega yacht first in the class of 85 meters length superyacht available for private chartering.

Luxury yacht ANNALIESSE built by Alphamarine in 2004 is one of the world's most impressive charter yachts, spectacular at every level, built to SOLAS safety specifications, with exceptional taste in design by Lalis Poulias. Construction is by steel in hull and superstructure with aluminium deckhouses. The mega motor yacht is equipped to carry up to 36 passengers with 34 crew members. With a range of over 7.000 nautical miles, Annaliesse is capable of crossing the Atlantic, navigating the Panama Canal and reaching the west coast of the United States and Mexico, while spends summer time in Mediterranean Sea. She has unquestionable presence with her sleek hull, at the same time towering but welcoming. Access is easy via passarelle or the wide, teak swimming platform and once on board, life unfolds over five spectacular decks. Thirty six guests are looked after by thirty-four crew and there is room to entertain at the most lavish level. With 2.400 square meters (25.833 sq. ft.) of guest space, everyone can enjoy the Annaliesse of their choice. And the choice is enormous. Arriving by lift 21 meters (70 ft.) up from the sea, the sun deck provides privacy, intimacy and spectacular views over your domain. At the one end, the heli-pad converts into a circular sunbathing terrace, at the other, is a jacuzzi surrounded by sunbeds. Crew at the large bar serve anything from a cold drink to a hot buffet-24 hours a day. For sport, there are four waverunners, two tenders and a garage full of other leisure equipment including a fully equipped diving centre. At night the bridge deck is transformed- dimmed lights overhead, candle lights on starched white table linen and dinner as only Annaliesse can provide!
