Aurora Tecnomar Nadara 30

Aurora is Greek flagged luxury charter yacht built by Tecnomar launched in 2011 as Nadara 30 model. Naval architecture is by Tecnomar in house engineering with exterior and interior design by Centro Stile. Aurora boasts beautiful teak laid fly-bridge equipped with an AI-fresco dining table, BBQ, ice-maker, sunbathing area in the aft and second nav station. Main deck houses AI-fresco table, modern and stylish salon with two L-shaped sofas and formal dining table for ten guests, while her fore deck offers discreetly secluded Jacuzzi with surrounded with sun pads.

Aurora accommodates up to ten charter guests in five air conditioned cabins, all situated on the lower deck level. Full beam master cabin features a king sized bed, sofa, a vanity and en-suite with the shower. Double cabin offers a queen sized bed with shower en-suite, while her two twin cabins features two single beds in each, Pullman bunk beds and en-suites with the rain showers. If required by her guests, both twin cabins beds are convertible into a double berths. Third double cabin offers a queen sized bed and en-suite with the shower. All of her cabins are equipped with flat LCD TV's, DVD players.

Aurora is powered with two Caterpillar C32 ACERT diesels, developing 1825 BHP per engine pushing her GRP hull up to 26.0 Knots with cruising speed of 22.0 Knots and fuel consumption of 600 liters per hour. She is manned by a professional marine crew of six members.

Luxury charter yacht Aurora can be chartered in Greece from Piraeus which is her home port, however she can be rented from any Greek island, Turkey, Montenegro, Croatia with re-delivery fees. Please contact Navis Yacht Charters for availability and hiring rates.
