Cape Arrow

Cape Arrow is luxury sailing charter yacht built by Southern Wind SA and delivered in 2011 as SW100RS model. Her naval architecture is by Bruce Farr with the exterior and the interior styling by Milan based Nauta Design. She is built as performance sailboat with racing in mind. Her hull is designed and built with the best lightweight and strong materials available nowadays: carbon fiber, Kevlar and epoxy resin.

Cape Arrow offers fantastic teak laid deck offering cockpit with Al-fresco table shaded with a Bimini, spacious salon equipped with a dining table on the port side and U-shaped sofa on the starboard side with a coffee table.

She offers accommodation up to eight charter guests in four air conditioned cabins. Her master cabin is equipped with double bed, en-suite with shower and a study, a double cabin equipped with a double bed and en-suite with shower and two twin cabins fitted with two single beds in each and of course en-suites with showers in each. Her salon and cabins boasts following audio-visual gear: flat TV's, SAT TV, CD, speakers in the cockpit area and WiFi internet via 3G/4G.

Cape Arrow is powered with a Cummins QSB 5.9 MCD engine developing 305 BHP taking her sleek racing hull up to 12.0 Knots with cruising range of 3.500 Nautical Miles @ 10.0 Knots. She is manned by a professional and dedicated crew of four.

Luxury sailing charter yacht Cape Arrow is available for rental in the following Mediterranean yachting destinations: Italy, Naples, Sicily, Sardinia, Corsica and south of France. Please contact Navis Yacht Charters for her availability and charter quote.
