## Cudu Maiora 27

Cudu is Greek flagged luxury charter yacht built by Fipa Group based in Italy launched in 2007 as Maiora 27 model. Since then, she was refitted in 2016: teak decks, interior refinishing, new exhausts, paintwork, machinery maintenance into detail. Maiora 27 exterior is styled by Robert Del Re and her naval architecture is done by Maiora In House engineers. Her light bamboo woods made interior and exterior are designed for relaxing, entertaining as well as outdoor areas for al-fresco dining. The fly bridge houses the second command station, large Bimini for shade, BBQ, ice maker fridges, bar, lounge area with a table and extra large sun lounger for sun-bathing towards her aft.

She sleeps up to eight plus two charter guests in four air conditioned cabins all situated on the lower deck level. Master stateroom is a full beam and features king size bed, en-suite bath, walk-in closet, small sofa and vanity. VIP cabin is offers similar facilities, however a bit smaller. Twin cabins are amidships, on the port and starboard side, each fitted with two single beds, Pullman bunk beds and en-suites with the rain showers. She offers state-of-the-art audio visual equipment LCD TV's, satellite TV, DVD, Bose audio with iPod docking stations, Apple TV, outdoor speaker for aft and sundeck.

Cudu is powered with two Caterpillar C32 Acert diesels developing in total 3650 BHP pushing her GRP hull up to 27.0 Knots with range of 380 Nautical Miles @ 22.0 Knots and fuel consumption of 600 liters per hour. She is manned by an experienced crew of five members.

Luxury charter yacht Cudu Maiora 27 is available for chartering in Greece from Athens which her home base, however she can be rented from any Greek island and Turkey. Please contact Navis Yacht Charters for availability and rental quote.
