## S/Y Ellen – Perini Navi

Ellen is luxury sailing charter yacht built by Perini Navi Shipyard and launched in 2001. Her naval architecture, exterior styling and the interior design is by Perini Navi in house designers. She went for major and extensive multi-million EUR refit done in Perini's yard based in Viareggio Italy in 2013 - 2015 where she was upgraded inside-out. It took twelve months for experienced craftsman to restore her classic interior. Her salon offers fantastic leather sofas, armchairs and formal dining table based forward that is flooded with natural light through windows.

Ellen's layout sleeps up to eight charter guests in four air conditioned staterooms. Master stateroom offers king a sized bed, en-suite with shower, tub shower and an office. VIP stateroom offers queen sized bed and en-suite with shower, while one twin cabin offers two single beds, a Pullman bed and en-suite shower. Forth cabin based forward of salon offers two bunk beds and en-suite with shower. This cabin is ideal for teenagers and/or nanny.

Ellen is powered with two MTU 8V183TE62 engines developing in total 938 BHP pushing her steel hull up to 12.5 Knots with cruising range of 3200 Nautical Miles @ 10.0 Knots which is her cruising speed. She offers a nice selection of sea water sports toys listed herein below to her guests. She is manned by a professional marine crew of six.

Luxury sailing charter yacht Ellen can be hired in the Western Mediterranean yachting destinations: Monaco, Naples, Sicily, Sardinia, Corsica and thereafter in the Caribbean sea.
