Fairline Targa 47 – Yacht charter Croatia

Fairline Targa 47 features excellent internal accommodation which has been designed for accommodation four guests in two cabins featuring private en suites.

The Master Stateroom is luxurious and opulently appointed. Positioned forward with considerable natural light from the twin portholes and deck hatch, it is a bright and airy cabin with luxurious appointments including a full-height hanging locker, and under bed stowage. A full-size en suite with separate shower adjoins the cabin.

The twin cabin is amidships with ample stowage that also includes a hanging wardrobe. Ingeniously, the twin berths slide together to create a double when required. Generous opening portholes provide natural daylight and the accommodation is completed by a private en suite with full size separate shower.

The main saloon has comfortable seating for six and a state of the art entertainment console including LCD television, radio, and CD changer. Both this and the comprehensively equipped galley with hob, microwave, full size fridge/freezer, extractor fan and cherry floor are accessed directly from the cockpit.

The cockpit and helm position is focused on al fresco entertaining; the new Targa 47 will feature the most generous cockpit layout to date. The cockpit area is perfect for al fresco dining with wrap-around seating for six to eight, featuring a sink with hot and cold water, refrigerator, insulated coolbox and where requested an electric griddle.

A transom gate leads to the integral teak-laid bathing platform with shower and concealed bathing platform ladder. Access is given to the tender garage capable of accommodating a tender / dinghy. Side-decks with handrails afford easy access to the foredeck, where deep and plush reticulated-foam coachroof sun cushions provide for perfect relaxation.

The Fairline Targa 47 is innovative and has already set the standards for style and elegance. Targa 47 features air conditioning and generator to yacht charter standards, including a 220v/ 50Hz electrical system and Onan generator.
