Insignia

Insignia is luxury charter yacht available for rent in Greece and the Mediterranean Sea. Mega yacht Insignia is built by Elsflether Werft from Germany as Hanse for her first owner Baron von Thyssen. Current owners converted her in 2003/2004 to luxury yacht. She was stripped fully to metal during conversion in Insignia-Yachts yard. The exterior styling and interior design was re-designed by Luiz Debasto into smallest detail. Final result of the conversion is modern and state of Art equipped superyacht.

Insignia features four decks: Lower, Main, Upper (Sky Lounge) and Sundeck. Sundeck is spacious and equipped with Jacuzzi, GYM gear, sun beds and Al Fresco dining tables. The salon and sky lounge (upper salon) are luxuriously equipped with finest fabrics, furniture and entertainment gear like 50" Flat TV, Home Cinema with Surround Sound Stereo System.

She can accommodate 12 guests in 7 staterooms: Master cabin, VIP cabin, two Double cabins and three twin cabins.

Master cabin, full beam, is located on main deck and feature study, walk-in dressing room, and his and hers bathrooms separated by a Jacuzzi tub. VIP cabin including all other cabins are located at lower deck. That though doesn't mean that those cabins are not luxury furnished.

Insignia is powered by twin MTU engines with 3073 BHP and she cruise @ 13.5 Knots in Mediterranean, while her top speed is 15.0 Knots.

She is available for hire in Greece, however not limited to Greece! She can be also rented in Turkey, Italy, Montenegro and Croatia.
