## Ferretti Navetta 30 - Klobuk

Klobuk is Croatian flagged luxury charter yacht built by CRN shipyard as Custom Line Ferretti Navetta 30. She is delivered in 2005, however she is kept all times in immaculate condition by her owner. No monies are spared. Ferretti Navetta 30 is totally different from any other Custom Line yacht, as philosophy behind her creation is the same: comfort, polish and luxury.

Designed inside out by Zuccon International she boasts two salons, one on main deck level and the other on upper deck level. The spacious saloon on the main deck offers state-of-the art entertainment system, dining area and lounge with sofas. The upper salon gives an all-weather panoramic views of cruising area, while AL-fresco dining table on the aft main deck offers a degree of open air opulence and comfort. Her upper sun deck offers sunbathing in total privacy to her charter guests.

Klobuk offers accommodation up to twelve charter guests in three double staterooms and two twin cabins. The master stateroom is full beam and it is based on the main deck forward of main salon, offering total privacy to charter guests. Master stateroom is equipped with the king size bed, marble bath en-suite with a Jacuzzi tub and shower and walk-in-wardrobe. The VIP stateroom is full beam and located on the lower level aft and features king sized bed, walk-in wardrobe, en-suite with Jacuzzi tub. Double stateroom is fitted with the queen size bed and en-suite with shower. Two twin cabins are based amidships on the port and starboard side and both are fitted with a Pullman bunk beds and en-suite baths.

When on the anchor, her stern doors opens flat to provide a sea-level swimming platform and access to sea toys stored in the garage. Klobuk is powered with two MAN V12 engines, developing 1360 BHP per engine, taking her up to 18.5 Knots with cruising range of 550 Nautical Miles at 13.0 Knots of cruise speed. She is fitted with unique stabilizer system, called: ARG' or Anti Rolling Gyro, that produces a gyroscopic momentum within the vessel that reduces the rolling motion known as "Rolling Angular Velocity".

Klobuk is fantastic luxury charter yacht manned by the Croatian professional marine crew of six. Permanently based in the Croatia she is available for rent from the Zadar, Split, Dubrovnik and elsewhere in the Adriatic Sea, however delivery fees are applicable. Please contact Navis Yacht Charter Croatia for any additional details and charter quote.
