## Lady B

Lady B is luxury sailing charter yacht built in the Netherlands based shipyard Vitters launched 2011. Her naval architecture design and beautiful, sleek exterior styling is by Dubois Naval Architects, while her light, airy and luxurious interior by Rhoades Young Design. In 2011 she was a winner of World Superyacht Awards.

She offers fantastic teak laid deck and spacious cockpit equipped with Al-fresco table and retractable Bimini for shade or more sun. Entering through the sliding glass panel doors from the cockpit, her guests will find large split level upper and lower salons with dining area. Lady B can accommodate up to seven charter guests in three plus one convertible cabins. Full beam master stateroom offers king sized bed, en-suite, office, private lounging and dining area and panoramic skylight that floods the space in light and gives a spectacular view of the curve of the mainsail all the way to the top of the Southern Spars mast (54.70m). There are two double staterooms equipped with a double queen sized beds that are convertible into a twin cabins if required by her clients. One double stateroom is fitted with a Pullman bed and both are equipped with en-suites with shower.

She is powered with one Caterpillar C18 with controllable pitch props developing 724 BHP, taking her sleek hull of 243 T up to 15.0 Knots with cruising range of 5000 Nautical Miles at speed of 12.0 Knots. Lady B fantastic sailing performances to her guests and highly motivated and experienced crew of six members.

Luxury sailing charter yacht Lady B can is available for chartering in the Mediterranean and Caribbean area.
