Ouranos - C Force 50

Ouranos is breathtaking luxury charter yacht built by Admiral-The Italian Sea Group, launched in 2016 as C Force 50 model. Her exterior styling is by Unielle Yacht Design and in house team Admiral Centro Stile, while her amazing, luxurious and elegant interior is by Gianmarco Campanino with the Admiral Centro Stile. Rina classification society awarded her as one of the most silent yachts in the world powered with traditional engines. She boasts fantastic teak laid decks offering spacious sundeck with Al-fresco table covered with the retractable awning for shade, a bar, Jacuzzi surrounded with sun pads, open air dining table on the bridge deck, lounge on the main deck aft, private beach club when at the anchor and two foldable terraces on both sides (side opening hullports).

As three-deck superyacht, Ouranos offers two salons; one based on the main deck level and the sky-lounge on the upper deck connected with a indoor staircase and the elevator connecting all three decks. Her salons are modern, contemporary, minimalistic and airy offering formal dining table on the main deck, lounge areas, a bar and cinema lounge in the sky-lounge and spectacular panoramic views of cruising destination through a large windows virtually connecting both salons. Best Italian fabrics and materials available nowadays are used to built this head turning super yacht.

Ouranos sleeps up to twelve charter guests in six air conditioned staterooms with the individual A/C cabins controls. Full beam master suite is based on the main deck level, forward of main salon, offers king size bed with night tables, an office, spacious en-suite baths, walk in wardrobe and lounge area on the starboard side. Her lower deck level houses two VIP staterooms, two of which are based amidships, offering a queen sized beds and en-suite baths. Third double/VIP stateroom is based forward to the bow area in front of her two twin cabins, each equipped with two single beds that are convertible into a double berths.

Ouranos is powered by two Caterpillar 3512C engines developing 2040 BHP per engine pushing her up to 17.0 Knots with cruising speed of 15.0 Knots and max cruising range of 6000 Nautical Miles @ 11.0 Knots. She is manned by professional maritime crew of twelve members.
