## Resilience ex.MY Dream

Resilience ex.My Dream is a Maltese flagged luxury charter yacht, built in Italian shipyard Ortona Navi and launched in 2008, with extensive refit in 2014. Naval architecture and exterior styling is done by Studio Progetti Associati, while her exclusive and stylish interior is designed by Pinto/Ask Deco.

Resilience super yacht feature: large sundeck equipped with Jacuzzi, bar, sun pads where her charter guests can enjoy in beautiful Med Sea panoramic views, beautiful fore-deck lounge area, two salons. Main salon is based on the main deck level and Sky Lounge or upper salon with AL-fresco dining table at same deck level.

Luxury charter motor yacht Resilience sleeps twelve guests in six air conditioned en-suite cabins, including full beam master cabin, located on the main deck. Master stateroom boasts king size bed, vanity, Jacuzzi tub, his and hers bath, private office. VIP, double and twin cabins that are convertible into double cabins, if required are based on the lower deck level. All My Dream cabins and both salons are equipped with state-of-the-art audio and visual gear available on market.

Superyacht Resilience is powered by two Caterpillar 3512B engines, each developing 1517 BHP. She can reach max speed of 16.5 Knots, while she cruise @ economic speed of 14.0 Knots. Her max range is 4500 Nautical miles @ 12.5 Knots. Even though she is a displacement type of yacht, she is equipped with CMC stabilizing system on the anchor and underway. CMC stabilization system reduces motion of yacht and without doubt, it will make your luxury charter yacht experience more comfortable. She also offers fantastic and wide range of sea water sports gear listed herein below.

Luxury charter yacht Resilience is available for hire in West Mediterranean Sea; French and Italian Riviera
