Sealine SC47

Yacht charter Croatia on board Sealine SC47 latest addition to Croatian charter market from Trogir.

The exterior of the SC47 is characterised by the boat's panoramic sports windscreen and large opening roof system housed in a distinctive dark brown frame. Cable driven, the unique canvas roof has a manual and electric operating system which transforms the cockpit into a fully enclosed space in a matter of seconds.

The open plan cockpit is a very social area for relaxing in style and comfort. There is lounge style seating with extra wide cushions for up to 10 and a large folding cockpit table for al fresco dining. A dedicated cockpit galley, complete with all the essentials - sink, grill, fridge, ice box and plenty of storage, services this area.

The SC47's new hull has the largest length to beam ratio for a luxury yacht in this size category. The wide beam gives the SC47 sports cruiser stability and its 'big boat feel'.

The SC47 has been fitted with the new Zeus engine propulsion system. The luxury yacht's 360 degree Joy Stick control combines high performance with exceptional maneuverability. Due to the compact nature of the new drive system it also allows for a much larger lower deck space.

Sealine SC47 can accomodate 4 +2 guests in salon, 2 double cabins all ensuite.

With it's equipment and amenities this yacht is guarantee for memorable nautical yacht charter Croatia vacation.

Yacht can be chartered on bare boat basis or with skipper.
