

Sima

Length:	39.60m (129'9 ft)
Beam:	7.70m (25'26 ft)
Draft:	2.30m (7'55 ft)
Built:	2007 Ref 2014
Shipyard:	CRN Ancona Italy
Cabins:	5
Guests Capacity:	10
Crew:	8
Speed:	17.0 Knots

Sima

Sima is luxury charter yacht, a CRN Custom Line 128 model, built by Italian shipyard CRN from Ancona part of Ferretti Group. She is launched in 2007 and refitted in 2014. Luxurious charter boat Sima benefits from the technological developments of the parent company, the Ferretti Group and feature the latest installments, such as the Mitsubishi anti-rolling gyro system for at-anchor and underway stabilization, to ensure the ultimate comfort of her charter guests.

Function and flexibility underscores the design of yacht main saloon and dining room, with seating for up to twelve guests, designed by Fendi. An elegant divider stands between the adjoining rooms flanked by a staircase leading up to the sky-lounge on the port side.

Her guests may enjoy the uninterrupted view running through the saloon and out to the main deck, while afterwards, translucent doors close this area off as guests proceed through to the saloon, the skylounge or the outside decks for the evening's entertainment. In these instances, guests may choose to enjoy a film screened on the flat TV screen that folds down from overhead in the saloon. For Al-fresco dining, the upper deck is the main option with a covered table and seating, while the sundeck also offers a smaller, less formal table arrangement. Her teak decking, loungers and umbrellas make the large sundeck a very welcoming and relaxing area, with plenty of space both in the sun and the shade. A whirlpool spa and bar complete the facilities on this well-appointed, spacious sundeck.

She offers accommodation for ten charter guests in five generously-sized cabins. Located forward on the main deck, the master stateroom is accessed through a private reception/office area, which can be closed off from the suite if desired. Well appointed guest accommodation is comprised of two twin cabins with oversize single beds and with a Pullman each, and two double staterooms based on the lower deck level. The latter two cabins have twin basins and their own full-size tubs, with separate compartments for WCs and bidets. All her staterooms are air conditioned and with en-suite facilities. Of course she is equipped with latest audio-visual gear such as; SAT TV, Apple with Crestron and Airplay Mode iPod docking stations.

Sima is powered with two MTU 12V 4000 M90 engines, developing 2736 BHP per unit, taking her up to 24.0 Knots with cruising range of 1800 Nautical Miles at 17.0 which is her cruise speed.

Luxury charter yacht Sima can be hired in the Mediterranean and Adriatic Sea destinations.

Technical Specifications:

LOA: 39.60m (129'9 ft)

Beam: 7.70m (25'26 ft)

Draft: 2.30m (7'55 ft)
