Sunseeker Aqua Libra

Sunseeker Aqua Libra is charter motor yacht built by British Sunseeker and delivered in 2012 as 28M model. Her exterior styling and airy interior is designed by the Design Unlimited.

She feature fantastic and spacious fly-bridge equipped with sun pads, loungers, BBQ, al-fresco table, bar all covered with retractable Bimini for shade. As you can see on photos, her fore deck is also fitted with the sun pads and small table if charter guests want to enjoy the Sun in the Mediterranean Sea.

Sunseeker Aqua Libra accommodates up to eight charter guests in three double staterooms and one twin cabin that is convertible into double if required. All cabins are air conditioned and with en-suite baths.

Her deep V hull is powered by two MTU 16V 2000 M93 developing 1900 BHP per engine, allowing speed up to 26.0 Knots, while she cruise @ 20.0 Knots. She is equipped with anchor stabilizers which reduces roll motion effect and results in a smoother enjoyable charter experience while on anchor. For charter yacht of her size, Sunseeker Aqua Libra offers impressive list of sea water entertainment gear listed herein below. Sunseeker Aqua Libra is managed by five crew members.

Sunseeker Aqua Libra 28M model can be hired in the Greece and Turkey.
