Sunseeker 34M Cassiopeia

Sunseeker 34M Cassiopeia is Croatian flagged breathtaking charter yacht, providing luxurious accommodation for up to ten people plus crew, the open plan living areas include a large saloon and dining area adjacent to a fully equipped galley and servery including crew mess which form a natural divide from the forward master stateroom, raised wheelhouse and crew quarters.

The spacious main deck master stateroom gives 180-degree visibility with a walk-in wardrobe on the main deck. Stairs then lead forward to a private toilet room and then down to an open plan en-suite with twin wash basins, bath and separate shower cubicle.

The lower deck includes two generous double VIP cabins and two twin cabins, all offering en-suite facilities and individual entertainment systems.

The fly-bridge affords plenty of seating and sunbathing space with a fully equipped wetbar and the large spa tub, the stern garage offers enough space for a tender. To achieve optimum performance, the 34 Meter Yacht is based on Sunseeker's deep 'V' hull design.

Powerful twin MTU diesel engines, enabling M34 yacht to achieve speeds in excess of 25 knots. Performance is complemented by leading-edge technology throughout, such as computerized engine management systems and the very latest navigation and communication equipment, making island hopping or extended cruising equally effortless. Sunseeker M34 is fitted with TRAC-STAR, a system that provides optimum stabilization while at anchor and when underway.

Cassiopeia luxury charter yacht is available for rent in Croatia, Montenegro, Italy, Venice. Please contact Navis Yacht Charter Croatia for details and offer.
