## Barracuda Red Sea

Barracuda Red Sea is RINA classed, luxury charter yacht built by Sunseeker International UK and delivered in 2010 as Sunseeker 37M model. Ever since her delivery, she is kept in immaculate condition by the owner. Her naval architecture is done by Don Shead, while her fantastic exterior and the interior is designed by the Sunseeker In House team. Designed, custom built and equipped to the highest standards, Sunseeker 37M Yacht has Sunseeker's proven deep 'V' hulls which offer good sea keeping qualities and allow for good cruising ranges,

making this super yacht easy to handle in different sea conditions and a pleasure to travel on for extended trips in the Mediterranean Sea, whether soaking up the sun or cooling off in the shade, her vast outdoor spaces are wonderful areas to take in breathtaking vistas.

She boasts fantastic sun deck equipped with Jacuzzi, coffee table, wet bar, ice-maker and plenty sunbathing areas. The ample aft deck is perfect for receiving guests and casual Al-fresco dining, while the sundeck affords the ultimate sanctuary for relaxation and comfort.

Sunseeker 37M Barracuda Red Sea layout sleeps up to twelve charter guests in the six well placed staterooms. Full beam master stateroom is based on the main deck level forward of spacious salon and feature king sized bed, the generous en suite with twin basins and a separate shower cubicle. walk-in-wardrobe, seating area with table. VIP stateroom is based on the upper deck level and the remaining three double staterooms along with one twin cabin are based on the lower deck level. Entire yacht and staterooms are air conditioned and equipped with latest audio-visual gear.

Sunseeker 37M Tri-Deck, a semi displacement motor yacht is powered with twin MTU 12V 4000 M93 engines, developing 2812 BHP per engine, pushing her up to 22.0 Knots with cruising range of 1.500 Nautical Miles at 12.0 Knots. Her usual cruising speed is 15.0 Knots. She is manned by dedicated and professional marine crew of seven.

Luxury charter yacht Barracuda Red Sea can be hired in the following Mediterranean destinations; Croatia, Montenegro, Greece and Turkey.
