Built:	2013
Shipyard:	Sunseeker UK
Cabins:	5
Guests Capacity:	10
Crew:	5
Speed:	18.5 Knots

## Chimera

Chimera is luxury charter yacht built by Sunseeker International as Sunseeker Predator 115 model. Launched in 2013 she is kept in pristine condition by the Owner and her dedicated crew, therefore she is ready to accept new charter guests in the West Mediterranean Sea yachting destinations this summer. Her naval architecture was done by Don Shead, while her head turning exterior styling and light interior by the Sunseeker In House design team. She boasts fantastic fly-bridge, foredeck fitted with sun pads for sunbathing, large salon with dining table for ten, spacious aft deck equipped with two Al-fresco tables and swimming platform.

Her layout sleeps up to ten charter guests in five en-suite and air conditioned staterooms; master stateroom based on the main deck, two double and two twin cabins located on the lower deck level. If required by the clients, one twin cabin can be converted into double bed stateroom. Entire boat is equipped with state-of-the-art audio-visual gear and WiFi internet (3G/LTE).

She has a GRP hull and superstructure driven by two MTU's MTU 16V 2000 M94 reaches a maximum speed of 26.0 Knots with usual cruising speed of 18.5 Knots. Her cruising range is 1560 Nautical Miles at speed of 12.0 Knots. Chimera is also equipped with Trac stabilizers to make your stay aboard even more comfortable.

Manned by professional marine crew of five, she offers unforgettable luxurious yachting holidays in the Med Sea.
