## Sycara V

Sycara V is impressive, attractive, powerful, head turning and MCA compliant luxury charter yacht. She was built as per Lloyds class requirements by German shipyard Nobiskrug and delivered in 2010. Her sophisticated exterior lines and amazing elegant interior is styled by Craig Beale and Pure Detail Designers. The In House Nobiskrug engineers did the naval architecture.

Sycara V was a winner of 2010 International Superyacht Society Award for Best Displacement Motor Yacht of 60m - 84m. She was also a finalist of Showboats Design contests for; Naval Architecture and Interior Design Award for best displacement motor yacht in 2011. Sycara V luxurious charter yacht feature breathtaking interior and spacious decks, what makes her perfect choice for family or corporate charter yacht, regardless age or interests of guests. Sycara V is built for charter and everything aboard is dedicated to her guests starting with spacious staterooms, vast salon, outdoor bars, AL-fresco dining areas, Portuguese bridge lounge area with amazing panoramic views, Jacuzzi for eight persons with sun pads around shaded by the awnings, fully equipped GYM and massage room, beach club, elevator connecting all deck levels from the Lower Deck to the Sun Deck.

She can accommodate up to twelve charter guests in five double staterooms and one single cabin. She boasts full beam Master stateroom situated on the private deck aft or Bridge deck. Master suite is comparable with the penthouse and feature: large king size bed, large en-suite baths for her and him, a lounge area, office, private Al-Fresco table on the aft. Four double guest cabins are located on lower deck and all are with en-suite baths, walk-in-wardrobes. VIP and King cabin are equipped with Jacuzzi. The single cabin is based on the command bridge level aft. It is equipped with single bed + pull-man bed and shower. If required, her library, based on the main deck level forward, is convertible into double cabin with queen size bed and en-suite bath. Her staterooms, salon, including deck areas, are equipped with state-of-the-art Audio Visual Gear and communication equipment: Yamaha Clavinova player piano in the main salon, large flat TV's, SKY TV, Kaliedescape System (Music and Movies on demand) with Crestron remote control, iPod docking stations in all staterooms, gaming equipment, WiFi internet.....

Sycara V is powered by twin Caterpillar 3516 engines, developing in total 4460 BHP and reaches max speed of 17.0 Knots, while her usual cruising speed is 14.5 knots. She is a super yacht built for trans-Atlantic crossing and capabilities. At 10.0 Knots her range can be staggering 9.800 Nautical Miles. She is also fitted with ultra modern stabilizing system, on the anchor and under way, to make yours and your charter party cruising experience even more enjoyable avoiding seasickness.

She offers an array of tenders and sea waters toys to her guests and she is manned by a professional maritime crew of 18. Her crew will make sure that you enjoy in unique and unforgettable charter experience in Caribbean or Mediterranean Sea in exclusive comfort and luxury lifestyle.
